PRIMARY SCHOOLS

The South Canterbury primary schools singles champs were held on Monday 11 July. The boys were split into two pools with the winner of each pool to meet in the final. From Pool A top seed Datong Ong continued his excellent form to easily win through while from Pool B the second seed Jack McPherson had some anxious moments before cementing his place in the final. In the final Ong completed an unbeaten season with a comfortable 11-2, 11-7 victory.

Datong Ong was a member of the team, along with Yong Cherng Su and Hau Ming Su, which took out the teams' competition the previous week. They defeated the Bluestone team of Yi Ran Ong, Katie Hooper and Jack McPherson.

In the girl's singles champs Yi Ran Ong retained the title she won last year by beating Katie Hooper in the final 11-7, 11-5.
